MARSTON HOUSE
Toano, James City Co., Va.

Owner: Unknown

Date: Mid Eighteenth Century

Builder: Unknown

Condition: Much altered

Description: This is now a two story frame house, but its original form was apparently a story and a half. The alteration deprived the house of any architectural importance leaving only a fine brick end chimney laid in Flemish and English bonds, with intersscting offsets. The original front doors are reset in the rear wing. The interior of the old part is stripped of early woodwork.
